### **Volunteer Release for Minor**

Your child has expressed an interest in volunteering at the Haines Animal Rescue Kennel (HARK) located on Small Tracts Rd. We encourage all those whom want to volunteer for our organization. In order for your minor to volunteer at HARK we require permission from their parent/legal guardian. Our organization at times accepts animals of unknown origin and temperament. While we would never knowingly put any of our staff or volunteers in harms way, animals can and sometimes do act out without prior history, or provocation. HARK makes every attempt to document any and all incidences that have occurred with each animal in order to inform all volunteers of their status, and if necessary post warnings instructing an animal not to be handled by volunteers. We greatly appreciate all volunteers as they are truly the backbone of our organization. It give us great pride to have the youth in this community express interest in the welfare of companion animals, and we our honored to have them here at our shelter. Thank you for allowing your child and our organization the opportunity to work together!
