Foster Disclosure and Release

I _____ the undersigned, do hereby declare that I am aware:

1. Animals are different from human beings in responses to human actions.
2. The actions of animals are often unpredictable.
3. Animals should be closely supervised when they are with children.
4. An animal's behavior may change after it leaves the shelter and accustoms itself to a home or other different environment. HARK urges all foster care-givers to exercise caution when introducing the animal to new situations until the animal becomes fully adjusted to its new environment.
5. HARK makes no claims or representations as to the temperament, health, or mental disposition of any animal. For this reason HARK cannot accept any liability for animals in foster care.

I hereby accept possession and responsibility for the animal identified in the Foster Agreement and hereby release and discharge the Haines Animal Rescue Kennel from liability for any injury or damages to any person or property caused in the future by said animal, and from any causes of action claims, suits, or demands whatsoever that may arise as a result of such injury or damages.
